CENTER CLUB

Mission

Our mission is to raise funds for the Muscular Dystrophy Association's Augie's Quest, the Center Club's 2011 charity of choice, the For OC Kids Neurodevelopmental Center, and ClubCorp's Employee Partners Care Foundation.

History

Each year 140 ClubCorp Clubs around the country open their doors to an estimated 25,000 Members and Guests for tournaments, dining events and social extravaganzas in order to raise proceeds for charity. This year, the Center Club participates in this annual function through a charity cook-off event – "Small Bites for Big Causes".
